

Police Liaison Sept 2018

- A meeting took place with Rachel Carr to review security on the Rec. There were no issues requiring immediate action.
- A meeting took place with Sgt Hilson to discuss the poor response to a recent incident, this is being investigated and we await feedback. Sgt Hilson also advised that there was an intent to organise regular PCSO visits to the village and especially the Recreation Ground. At the meeting it was stressed that the PCSOs should undertake some parking patrols.
