

Reports for GSPC meeting May 18 2020

Cemetery and Allotments

Invoices have now been sent out to all allotment holders (Stonehill and Cemetery allotments), and payment received from many. The final date for payment is May 31 2020. Those on the waiting list have been contacted and asked to confirm addresses. The available allotments will be distributed in early June with priority being given to Great Shelford residents.

Village News

It is hoped that the June issue will be distributed to subscribers by the Village's COVID-19 volunteers. As with the May issue, free copies will also be available in Village shops and the magazine will also be available online.
