

Community Association – report for PC Jan 2019

- An amendment to the lease between the PC and Community Association has been issued which removes the Sports and Social Club from the area leased by the Community Association.
- The Community Association has issued a document to the Sports and Social Club agreeing that the lease between the two parties can be brought to an end.
- The timescale is for all this to be signed off by the end of Jan 2019
- SSYI will lease the “Sports and Social Club Area” directly from the PC, the lease fee will be nominal.
- The area will need to be upgraded and the PC will need to decide if they are willing to cover some of the costs as they own the building.
- The Association has put on hold the purchase of 150 new chairs pending further discussion.
- At the next Community Association meeting (28th Jan) the PC will present ideas on the possible provision of some public toilets on the ground floor.
