

# GREAT SHELFORD PARISH COUNCIL

## Covid-19 Information

**The Parish Council is aware of various Groups that are assisting Village Residents during the Covid-19 outbreak.**

The Parish Council supported Mobile Warden Scheme, local Facebook and WhatsApp groups are extremely well organised and doing great job for local residents. Many thanks from all.

The Parish Council didn't feel that adding another layer of communication would provide any benefit so it was felt best to leave things in their capable hands and keep the matter under review.

**The contact for any resident requiring assistance are**

- <https://www.facebook.com/groups/212913673156831/>

**All Great Shelford residents should eventually receive a note through their door with the name of a localised key contact from the Group. If you are in need of help residents should get in touch directly with their key contact.**

**However, if a resident has not yet received a key contact note or are not sure who to call, please contact Chris Smith on e-mail [christopher.i.smith3@gmail.com](mailto:christopher.i.smith3@gmail.com) or telephone 07929 358543**

- <https://shelford.org/wardenpage.htm>

**The Great Shelford On Line website also provides the above links and a helpful list local business / shops current status**
