

Police Liaison March 2019

- The Clerk and Councillor Ashurst had a meeting with Sergeant Jim Stevenson who is the Community Sergeant for the Cambridge East Area, the meeting was meant to be with Inspector Paul Rogerson but he had to pull out at short notice because of operational issues. We explained our concerns regarding ASB and in particular the arson that had occurred at the rear of the Rec Hut, the issue of parking was also discussed.
- Our local Sergeant is trying to arrange some form of engagement with the Fire Service and our young people (via SSYI and SVC) as a preventative measure.
- Chris Wiseman has now returned as PCSO for the area and held a surgery on 6th March 2019 in the Memorial Hall.
- Drop in Police Surgery on 6th March 2019 9:30-11:00 in the Memorial Hall (Farmers market Day), this was well attended with at times a queue and people from other villages also attended. The next one is proposed to be on 10th April and if possible we will put in GSVN.
