

Police Liaison for PC Meeting July 2019

- The Clerk, Councillors Price and Ashurst had a meeting with Sergeant Emma Hilson on 23 June 2019, we had hoped that Inspector Rogerson to attend but he was unavailable.
- Discussions were as previous ASB, parking and police presence – resources are limited and this puts these priorities down the list. Emma yet again stressed the importance of reporting crimes to 101 or the website
- Emma explained that Gamlingay had implemented a ‘Gamlingay Community Safety Group’ (Police / PC / Local College). I have contacted the PC chair of the group with the intent to ascertain if it would be useful group for Great Shelford – it helps the Police with intelligence. We need to improve our CCTV so we can easily input information to such a group.
- A 15 minute meeting has been arranged with the Police and Crime Commissioner, Jason Ablewhite, on 26th July. Councillors Fane and Ashurst to attend.
