

Public consultation 19 October to 29 November 2020

Cambridge South: a new station in the south of Cambridge

Network Rail is developing plans for a new station in the vicinity of the Cambridge Biomedical Campus to improve connectivity across Cambridgeshire and provide more sustainable travel options for patients and visitors to Addenbrooke's and Royal Papworth hospitals. Improving connectivity to the campus and the local area will support growth by attracting skilled workers from further afield.

Speak to the team

Owing to the current Coronavirus situation, we are conducting this second phase of public consultation remotely to maintain the safety of the public and our staff.

There will be opportunities to put your questions to our team via our live webchat facility at specific times throughout the consultation period.

Webchat available 19 October to 29 October

Monday, Tuesday and Thursday 10:00 – 16:00

Wednesday 14:00 – 20:00

We will also be available to answer questions and log your feedback via our consultation hotline at the following dates and times:

Hotline available 19 October to 31 October

Monday, Tuesday and Thursday 14:00 – 17:00

Wednesday 17:00 – 20:00

Saturday 10:00 – 13:00

How to have your say

For more information on our proposals or to receive a hard copy of the consultation brochure and feedback form (available from 19 October), please contact us using the information below:
